TA Recognition at UGA
The Future Faculty Fellows Program
application deadline for 2018-2019: March 7

Sponsored jointly by the Graduate School and the CTL, 3FP is a year-long professional development program that brings together 15 innovative and dedicated teaching assistants from across campus to talk about, reflect upon, and improve their teaching, while preparing them for the academic job market and the rigors of their first faculty positions. Experienced teaching assistants with demonstrated teaching passion and who will be preparing for careers in higher education are invited to apply to the program. Program highlights include:

- Exclusive workshops with award-winning faculty on all aspects of teaching
- Assistance in preparing job application packages (including portfolios, teaching philosophy statements, and diversity statements)
- Mentorship opportunities with early and late career faculty members here at UGA
- Support for scholarship of teaching and learning (SoTL) projects
- Special opportunities for institutional service through mentoring, facilitating other graduate students’ professional development, and other activities.
