

Student Perspective, Image Description

This table provides some quick tips and guidance for effectively engaging with the Student Perspective. Here we have translated the image from our [Student Perspective page](#) to more accessible and screen-reader friendly text.

SUPPORT AND RECOGNIZE TEACHING EFFECTIVENESS AND IMPROVEMENT

Compare trends across semesters.

PROVIDE MEANINGFUL AND TRUSTWORTHY INFORMATION

Encourage high participation from students and systematically summarize written comments.

ENSURE FAIRNESS AND MINIMIZE BIAS

Recognize known biases, limit comparisons among instructors, and appropriately present trends in data.
