

Instructor Perspective, Image Description

This table provides some quick tips and guidance for effectively engaging with the Instructor Perspective. Here we have translated the image from our [Instructor Perspective page](#) to more accessible and screen-reader friendly text.

SUPPORT AND RECOGNIZE TEACHING EFFECTIVENESS AND IMPROVEMENT

Build on prior self-reflections and discuss efforts to grow and learn.

PROVIDE MEANINGFUL AND TRUSTWORTHY INFORMATION

Rely on systematic data and observations about student learning and experiences.

ENSURE FAIRNESS AND MINIMIZE BIAS

Rely on formalized forms and processes.
